

I would like to introduce myself (Vanessa Maddox) as the new Director of The Spot at the Voorhees Town Center.

A little about myself:

I grew up in Voorhees all my life and attended E.T. Hamilton Elementary, Voorhees Middle School, and graduated from Eastern in 2002. As a student I was very active in the Voorhees Soccer Association, Girl Scouts, Hamilton Fashion Show, Adopt a Grandparent, and Volleyball. After Eastern I went to Temple University Fox School of Business; upon Graduation I pursued a career in College and Financial Aid Planning at Delaware Valley Financial Group.

As an Eastern Alumnus I see the strong importance to creating a Teen Center where students can go for extra help and/or activities. The Spot is a great asset for teens to utilize in receiving the free tutoring and homework help alone. If we can get the students involved and make it a gathering place for numerous activities they will look at The Spot as a platform for all their extracurricular and social events.

Please let me know what activities you may be interested in having at The Spot. We welcome any and all suggestions!!!

Thanks in advance for your help!!

I look forward to meeting everyone in the near future

Vanessa Maddox
